

Procore + CMiC Connector

Connect Procore's project cost management platform with your CMiC accounting ERP to provide your field and accounting teams with synchronized untethered access to financial data.

Keep your data synced with maximum efficiency.

This integration is built on Procore's ERP Platform, allowing users to manage the flow of data from within Procore for a simplified, consistent, and controlled integration process.

Note: Tax is not handled in Procore on Subcontractor Invoices.

PROCORE MANAGED

Built on Procore's ERP Platform

This integration runs on Procore's ERP Platform, which allows users to administer and control the connection entirely within Procore.

Award-Winning Implementation & Support

Receive the same award-winning Procore implementation and unlimited support that is included with all Procore products.
